# Welcome

We are delighted that you are interested in studying with us at the University of Newcastle, Australia. As a University ranked amongst the top 200 Universities<sup>1</sup> in the world, our University's core mission is providing a world class education to our students. With almost 37,000 students from more than 100 countries, our campuses in Newcastle, the Central Coast, Sydney and Singapore reflect the cultural diversity of our students. Every one of our international students brings diversity and new perspectives to our University. It is our priority to support students from all backgrounds and our University is a place where you can succeed, feel welcome and enjoy an incredible student experience.

Students at our University are taught by some of the best teachers and researchers in the world who have real-world experience and impact. Our teachers work collaboratively with industry and our community, and we have embedded practical learning experiences into all our study programs. This connects our students with industry and offers authentic learning opportunities – giving you a competitive advantage for employment after graduation.

Our University is committed to solving real-world problems locally and globally. We have a proud history of achievement that has led to strong outcomes in international university rankings, and show dedicated leadership on important social issues. We are ranked Top 40 in the world for Impact<sup>2</sup>, recognising that a sustainable future can only be realised with shared vision, and strong partnerships. To support this, our University invests in research into next-generation energy and resources. We are also taking steps to minimise our own impact on the planet and our campuses are powered with 100 per cent renewable electricity.

We warmly welcome you to Newcastle – a vibrant, creative city within a friendly, welcoming community. In partnership with the City of Newcastle, TAFE NSW and Study NSW, the University of Newcastle has launched an International Student Ambassador initiative to welcome and orientate international students and their families to life in Newcastle. Together we aim to cultivate a culture of belonging for all international students living and studying in Newcastle.

The University of Newcastle established the College of International Education to provide international students like you with a pathway to join our University. Through the College, we have created an environment of support where you can grow and will be prepared to succeed in your studies. If you are looking for a University that will support your aspirations, and be inspired by leading educators who are working to create a better future, there is a place for you at the University of Newcastle.

# Living with us

The University of Newcastle makes it very easy for students to adjust to university life, whether you choose to live on or off campus. We understand that securing accommodation in Australia has its challenges. We have a dedicated support team to guide you through academic and social transitions. We want to help take the stress and hassle out of finding accommodation, so you can concentrate on settling in, making new friends and commencing your studies.

"The University campus is safe and welcoming. I stay in a shared apartment on campus. It is a great way to meet new friends. I really like the shared lounge and dining area. It allows me to invite my friends over for a movie night or a game night, so we can relax and decompress after a long day at school. There is a free shuttle bus that takes me to the city campus for classes. It is very convenient."

## Living on campus

We know students need secure, affordable and comfortable accommodation when they are studying. Our campuses are home to around 1,800 students from across Australia and the world.

We offer a range of customised living options, from self-contained apartments, dormitory-style shared accommodation and modern apartment buildings.

Our shared facilities are world class, boasting a cinema room, communal commercial kitchens, swimming pools and more.

Weekly prices range from **A\$201.56 (non-catered) through to A\$437.81 per week**. Catering and meal options are available for purchase. For more information, visit [newcastle.edu.au/study/student-living/how-much-does-it-cost](http://newcastle.edu.au/study/student-living/how-much-does-it-cost)

Our catering suppliers have Halal certification and can cater for Halal, Kosher or other dietary requests.

## Living off Campus

If you would prefer to live off campus, we have dedicated Accommodation Officers to help international students find a place to live, including advice on current rooms, apartments and houses available to rent.

## Homestay

The Australian Homestay Network is our preferred provider for our students. Homestay is an excellent option for living with local families in a home environment. Your host family provides not only accommodation, a furnished room, and daily meals, but also a great opportunity to practise your language skills at home and can help ease the transition into Australia and Newcastle.

# Foundation Studies in Medicine

Students who would like to enter the Bachelor of Medical Science and Doctor of Medicine program (082394J), but don't meet the direct entry requirements, have the opportunity to secure a place through our exclusive Foundation Studies in Medicine program pathway.

## What makes our program different?

- Our packaged offer contains both the Foundation Studies in Medicine and the Bachelor of Medical Science and Doctor of Medicine (082394J) in the same Letter of Offer.
- If you accept an offer with us, you will receive the Electronic Confirmation of Enrolment (eCoE) for the Bachelor of Medical Science and Doctor of Medicine (082394J) as well as Foundation Studies in Medicine.
- The University of Newcastle has extra quota places in the medical degree reserved exclusively for our Foundation Studies in Medicine students.
- Achieving a percentage score of 90 and above in our Foundation Studies program guarantees you a spot in the Multiple Skills Assessment (interview).
- High progression rate.
- Foundation Studies in Medicine students are exempt from having to sit UCAT.

**We are the only international pathway provider in Australia to offer this program.**

# Express Preparation Program

Our Express Preparation Program (EPP) has been designed for applicants who have completed Year 12 of a high school (or equivalent), but have not met the academic and/or English proficiency required for direct entry to a bachelor's degree at the University.

You can complete this full-time, one-trimester program (14 teaching weeks) and progress to Year 1 of over 130 different bachelor's degrees of your choice at the University of Newcastle.

To successfully progress to your chosen bachelor's degree, you will need the same Average Score as Foundation Studies students; however the score is only calculated over four courses (Pages 21–24).

# Pre-Master's Program (PMP)

Our Pre-Master's Program offers a direct pathway for international students wishing to study a range of master's degrees at the University of Newcastle. Upon successful completion of the program, you will receive up to 30 credit points, allowing you to jump straight into the second trimester of your master's degree.

The Pre-Master's Program is taught over two trimesters. In the first Bridging trimester, you'll develop your study and research skills, and strengthen your academic English in reading, writing, listening, and speaking. By the second Pre-Master's trimester, you'll begin studying university subjects that are part of your chosen master's degree.

## Why study the Pre-Master's Program?

- Entry requirements may combine academic qualifications and relevant work experience, making postgraduate education more accessible (see entry requirements on Page 40).
- Our Bridging to Pre-Master's trimester model means you begin your master's degree after just one trimester, and then upon completion of our Program, progress straight into the second trimester of your master's degree at the University.
- Benefit from extra support to develop your English and academic study skills.
- Feel better prepared for university study, while only adding an additional four months of a PMP Accelerated program to your degree.

## Jerry Alzatari

### Kuwait, Foundation Studies in Medicine

"As a CIE student, I really enjoy my access to the modern facilities at the University of Newcastle. My experience with CIE is transformative. I enjoyed the events at the College, which provided great opportunities for me to make new friends and gain new perspectives on people in different cultures. I've made a lot of friends since I came here."

# How to apply

Students can apply to study at our College through one of our authorised agents or by applying directly. Follow these simple steps to secure your place with us.

## STEP 1

Download the Application Form from our website ([internationalcollege.newcastle.edu.au/how\\_to\\_apply.html](http://internationalcollege.newcastle.edu.au/how_to_apply.html)) and complete the form.

## STEP 2

Please supply scanned coloured copies of original documents or certified copies of original documents to support your application:

- Academic qualifications
- English proficiency document
- Passport

## STEP 3

Submit your application

If you are a student who applies directly, email your completed application form and certified documents to [admissions-CIE@newcastle.edu.au](mailto:admissions-CIE@newcastle.edu.au).

If you are applying through an agent, please provide your completed application form and certified documents to your agent who will submit your application on your behalf.

If you are one of our authorised agents, please ensure that you are using the **Kaplink Agent Portal** to lodge and manage applications. You can seek support from our System Support Officer ([kaplinksupport.agents@kaplan.com](mailto:kaplinksupport.agents@kaplan.com)), if needed.

## STEP 4

We will review your submitted application and supporting documents. If these meet our admission requirements, you will receive an Offer of Admission.

You may also need to be assessed to determine if you are a Genuine Student under Australian legislation. We may require you to do one or more of the following: and provide financial documents or an interview.

- Completing a Genuine Student (GS) Form
- Providing a statement of purpose
- Providing financial documents or attending an interview.

## STEP 5

Accept your offer

To accept your offer, you will need to:

- Login to your **Kaplink Application Portal**. If you are logging in for the first time, you can reset your account password using the "Applicant and Alumni password reset" option. Please use your Applicant ID as your username when prompted.
- Submit any required documents to meet conditions outlined in your offer, if applicable.
- Review carefully your Offer of Admission, including Terms and Conditions.
- Select the 'Respond to Offer' button in the offer section and follow the required steps to complete your offer acceptance and deposit payment as required.

Our College has partnered with Flywire to accept payments from students worldwide. For more information about Flywire, please visit [help.flywire.com/hc/en.us](http://help.flywire.com/hc/en.us).

After we have received your payment, we will issue your Confirmation of Enrolment / eCoEs.

## STEP 6

Receive your CoE

International students will need to apply for a student visa to study in Australia. We recommend you apply as soon as possible after receiving your CoEs.

For details on visa requirements, visit the website of Department of Home Affairs ([homeaffairs.gov.au](http://homeaffairs.gov.au)).

You will also receive a College Welcome Guide with tips for living in Newcastle and finding accommodation.

## STEP 7

Visa and Accommodation

At least four weeks before the start of your program, you will receive more information about pre-arrival preparation and orientation. To find out more about the orientation, visit [internationalcollege.newcastle.edu.au/orientation.html](http://internationalcollege.newcastle.edu.au/orientation.html).

Find our Application Forms and the list of our overseas representatives.
